

# Furthering Your Forestry Career

## Certificate II in Forest Growing and Management FPI 20105

This course is for people who are currently employed in the Forest industry, possibly as Apprentices or Trainees. You could complete the full Certificate II in Forest Growing and Management within one (1) year. Depending on your needs, learning may be on-the-job, off-the-job or a combination of both.

**Course Requirements:** Pre-requisites apply. Please contact us for more information.

**Course Results and Skills Gained:** After completing the course, you may proceed to the Certificate III in Forest Growing and Management, Certificate II or III in Harvesting and Haulage, or become a qualified Leading Hand or Crew Leader.

### What resources will I need?

Students will need to supply the following:

- Steel capped safety boots (lace up)
- High visibility outer garment
- Full face safety helmet with hearing protection
- Cut resistant leg protection

The Skills Institute will supply some equipment associated with commercial chainsaw courses.

**Course Includes:** A total of 13 units of competency must be completed (6 compulsory core units plus 7 electives).

Core Units (Compulsory)	Course Code
■ Work effectively in the forest and forest products industry	FPICOR2201A
■ Communicate and interact effectively in the workplace	FPICOR 2202A
■ Follow environmental care procedures	FPICOR 2203A
■ Follow fire prevention procedures	FPICOR 2204A
■ Follow OHS policies and procedures	FPICOR 2205A
■ Apply First Aid	HLTFA301B

**Outcome:** Certificate II in Forest Growing and Management.

**Where:** At your workplace, and if required, at the Burnie Campus, Alanvale Campus or Clarence Campus.
