

Furthering Your Forestry Career

Certificate III in Forest Growing and Management FPI 30105

Students who enrol in this course must be employed in the Forest Industry. You could complete the full Certificate III in Forest Growing and Management within two (2) years. Depending on you and your employers needs, learning may be held at your worksite, at a TSI campus in Clarence, Alanvale or Burnie, or at a selected forestry coupe.

Course Requirements: Pre-requisites apply. Please contact us for more information.

Course Results and Skills Gained: After completing the course, you may undertake further study in Certificate III in Harvesting and Haulage, or become a qualified Leading Hand or Crew Leader.

What resources will I need?

Students will need to supply the following:

- Steel capped safety boots (lace up)
- High visibility outer garment
- Full face safety helmet with hearing protection
- Cut resistant leg protection

The Skills Institute will supply some equipment associated with commercial chainsaw courses.

Course Includes: A total of 13 units of competency must be completed.

Core Units (Compulsory)	Course Code
■ Contribute to team effectiveness	BSBFLM312A
■ Work effectively in the forest and forest products industry	FPICOR2201A
■ Communicate and interact effectively in the workplace	FPICOR2202A
■ Apply First Aid	HLTFA301B
■ Implement safety, health and environment policies and procedures	FPICOR3201A
■ Evaluate fire potential and prevention	FPICOR3203A

Outcome: Certificate III in Forest Growing and Management.

Where: At your workplace, and if required, at the Burnie Campus, Alanvale Campus or Clarence Campus.
