

Developing The Best Dairy People In The World

The National Centre for Dairy Education Australia (NCDEA) has partnered with the Skills Institute in providing dairy industry endorsed training within Tasmania. NCDEA nationally accredited courses provide the skills and knowledge essential to a career in the dairy industry across Australia.

NCDEA training for

- The dairy manufacturing/food processing sector
- The dairy farming sector
- Dairy employers
- Dairy employees
- New entrants

NCDEA training is specifically designed for, and endorsed by, the Australian dairy industry.

- Standards set by the dairy industry
- Course content supplied by dairy industry experts
- Quality assessed by the dairy industry

Career paths

The dairy industry needs qualified, skilled and motivated people. The NCDEA offers the opportunity to excel in your field and make a difference to the dairy industry.

Skills Recognition

Through skills recognition you can identify your strengths and weaknesses and select opportunities for further learning through full time study or short courses.

Employees

Receive training that meets your individual needs as well as those of your employer. Be an employee of choice; insist on an NCDEA industry endorsed qualification. You can begin your career in the dairy industry while you are still at school through an Australian School Based Apprenticeship. If you have recently commenced or about to commence employment on a dairy farm, consider a traineeship.

Employers

Insist on NCDEA, industry endorsed training. NCDEA qualifications are your guarantee of relevant, up to date dairy specific training designed to meet your needs.

Enterprise

Programs can be developed to meet the needs of your enterprise. The NCDEA delivers dairy farming courses from Certificate II to Advanced Diploma on a full time, part time or flexible basis. These include:

- Advanced Diploma of Agriculture
- Diploma of Agriculture
- Certificates II to IV in Agriculture
