

# Move into OHS Management

## Diploma of Occupational Health & Safety

### BSB51307

Occupational Health and Safety (OHS) is about ensuring safe and healthy working conditions, and preventing illness and injury in the workplace. The Diploma provides knowledge and skills for those in occupational health and safety policy making, advisory or management roles.

**Course requirements:** Participants will need to be employed or have access to an organisation to conduct an on-the-job project.

**Course results:** After completing the course you may progress to an Advanced Diploma qualification.

**Your trainer: Carol Rossendell**

Carol Rossendell is an acknowledged leader in OHS management systems; OHS risk management and OHS consultation training. She also provides specialised training in due diligence for responsible officers, chemicals management, manual handling, laboratory safety and workstation adjustment. Carol is a Chartered Professional Member of the Safety Institute of Australia and a Registered Safety Professional (Aust).

**Course includes:** This qualification consists of seven core units and one elective unit.

Core Units (Compulsory)	Course Code
■ Participate in the coordination and maintenance of a systematic approach to managing OHS	BSBOHS501B
■ Participate in the management of the OHS information and data systems	BSBOHS502B
■ Assist in the design and development of OHS participative arrangements	BSBOHS503B
■ Apply principles of OHS risk management	BSBOHS504B
■ Manage hazards in the work environment	BSBOHS505B
■ Facilitate the application of principles of occupational health to control OHS risk	BSBOHS507B
■ Participate in the investigation of incidents	BSBOHS508B

Elective Units (Choose 1)	Course Code
■ Monitor and facilitate the management of hazards associated with plant	BSBOHS506B
■ Manage rehabilitation / return to work programs	BSBHRM509A

**Outcome:** Diploma of Occupational Health & Safety.

**Recognition:** You can receive recognition for your previous study, work experience and existing skills. This may mean credit is given towards this qualification. Any identified training gaps can be addressed through individual coaching and/or participation in workshops.

**When:** You can enrol and start at any time. We will work with you to determine a training and assessment plan that best suits your needs. Contact us for workshop details in your region.

**Where:** At your workplace, and workshops are available at Devonport or Clarence.

**Cost:** \$3200 per person. Fees are inclusive of workshops, workplace visits, coaching, assessment and learning materials. Travel and related costs may apply when we visit you in your workplace outside of metro areas. Funding is available for eligible employees – please ask us for more information.

**Group Bookings:** Held at a time to suit you in your workplace. Contact us for a quote. Travel and related costs may apply when we visit you in your workplace outside of metro areas.
